Lynda,

Same format as your NWQI Q&A. Strictly limited to 1 page. 12 font, Times New Roman. Answer limited to 3 concise bullets. OW has been reworking our Q&As to make them more concise. Attached is one of our revised Q&As.

Thank you, Lynda.

In a "no rest for the weary" vein: at FY 16 budget prebrief today, we decided we should ask you to develop a budget Q and A about the OR CZARA decision. Kristie can provide model format and deadline. Hopefully it's a matter of stitching together some material from the roll-out package.

FYI final roll-out plan for this week's disapproval of Oregon's program. Mostly a reference for you however want to call your attention to this much-negotiated language which captures how NOAAEPA will respond to inquiries about financial penalties:

Under Sec. 6217 of the Coastal Zone Act Reauthorization Amendments (CZARA), this decision provides for NOAA and EPA to withhold a portion of the funds the State receives under Section 306 of the Coastal Zone Management Act and Section 319 of the Clean Water Act. NOAA and EPA.

Subject: FINAL rollout and Q&A for Oregon CZARA rollout

All--

Please see attached for the final rollout plan, key messages, and Q&A regarding NOAA and EPA's decision to disapprove Oregon's Coastal Nonpoint Program. A few adjustments were made to make sure our discussion of the penalties and how we talk about the action we're taking aligns with statements made in other documents.

The first key message was also adjusted a bit based on feedback from NOAA folks downtown.

All--

In prep for tomorrow's coordination call on the rollout of NOAA and EPA's joint decision on Oregon's Coastal Nonpoint Program (CZARA), I wanted to send along an updated rollout plan (attached).

During the coordination call tomorrow I hope we can go over the following to make sure we're all on the same page and confirm who has lead and who should be involved in each activity:

1. Press release/timing/coordination with state?
2. Hill notification/briefing/timing
3. Update on other rollout activities (notify state, FRN publication, etc)
